

PRESS RELEASE

September 3rd, 2010

Upgrading the CenterStaging Standard

There's a new sound coming from the halls of **CenterStaging** thanks to Digidesign and Meyer Sound. The **CenterStaging** staff would like to give a big thank you to everyone at Digidesign and Meyer Sound for the brand new consoles, floor monitors, subs, and side fills that can be found in almost every rehearsal studio. Upgrade your rehearsal experience, "My production runs a lot smoother when I work out of **CenterStaging**, the staff is eager to assist me with any and every request I have, and now with the recent studio upgrades everyone on my team from the FOH guy to the guitar tech to the Artist is happy." - Brian Cross Pussycat Dolls Tour/Production Manager.

Located in Burbank, California. **CenterStaging** is L.A.'s premier rehearsal and back-line facility specializing in production and tech support for TV and live performances. With 11 fully equipped rehearsal studios and massive sound stage, **CenterStaging** is *the place where artists come to work before you see them play*. There's nothing better than using fresh equipment straight from the factory. Be the first to use the new Digidesign consoles and Meyer Sound gear by calling 818.559.4333 to book your studio.

"With the Meyer Sound system and Digidesign console upgrade CenterStaging's rehearsal studios are better than ever." - Brent Dannen **CenterStaging** Audio Manager"
CenterStaging sets the bar higher than the rest. Serving clients, the only way we know how, with highly qualified technicians, the best gear available, matched with our supreme customer service, that's the **CenterStaging** standard. Come see what everyone in the industry has been talking about. Upgrade your Artistry with **CenterStaging** today!
